This message is not for the faint of heart.

As a Believer in Jesus Christ, YOU are the devil’s worst nightmare. Authority in Jesus makes the devil tremble. God’s Word paralyzes the adversary. Without a foundational relationship with Jesus, simply put, you are easy prey. The devil will examine you in the spirit and find out what you are thirsty for. If you are thirsty for the wrong things, he will give you the drink you want and dress it up with a form of godliness. It is up to you to seek out the Holy Spirit for wisdom and discernment so you can discern when the adversary is trying to trick you and when God is speaking something into your life. You must be actively pursuing God with all your heart. Read His Word daily to learn more about Him. If you are not rowing, you are being pulled downstream. You had better believe the adversary has a target on you, because he knows that if you understand your purpose, he’s toast. Stop letting the devil push you around. Yes, witchcraft is real. Yes, demons are real. But guess what, SO are angels, SO is the power of God, and SO IS THE POWER OF THE BLOOD OF JESUS! No weapon formed against you shall stand in Jesus’ name! God doesn’t hold grudges. He isn’t waiting for you to get it right before you come to Him. He knows you CAN’T get it right unless you come to Him. So repent, get right with the Lord, and start swinging. You’ve got a job to do.
