Please join us in prayer:

Father,

We, the Body of Christ, repent for turning a blind eye when You were asking us to look into the darker places where people have been suffering. We know that You would only be showing us these things because You have a solution, and You want us to be part of that solution. Lord, we surrender ourselves up to You! Show us how You would have us put our hands to work for Your kingdom, and heal the wounds of the broken hearted, the ones who feel like they have been forgotten, the ones who have made choices that have taken them down a path further from you and wonder if there is still hope for them.

Lord, thank You for giving us eyes to see that every human being is Your child, and for helping us to better understand how human trafficking works so that we can meet people where they are at and better understand how to support those who are finally coming home, in their healing process. Thank You for restoring families. Give us, the community, Your heart for these people, and Your strength to stand up against the things that continue to fuel the works of evil.

Thank You for putting the strength in us to fulfill these things, for we know we cannot do it without You, Lord.

Father, thank You for sending Jesus. Jesus, thank you for taking our place on the cross, and shedding Your blood on the Mercy Seat, and for rising again — just for us! Thank You for sending us the Holy Spirit. Thank You, Holy Spirit, for being here with us today, even to this very moment, and every moment after.

Thank You, Father, that in every season, in every stage of life we will ever walk through, You have found a way to remain with us, because You will never leave us nor forsake us.

May Your kingdom come, may Your will be done, on the earth as it is in Heaven. In Jesus' name,

Amen.

Now the Lord is the Spirit, and where the Spirit of the Lord is, there is freedom. - 2 Corinthians 3:17

If you have not received salvation through Jesus Christ and you want to, say the following prayer:

Lord, I confess that I am a sinner. I confess that I need Your Son, Jesus. Please forgive me in His name. Lord Jesus, I believe You died for me and that You are alive and listening to me now. I now turn from my sins and welcome You into my heart. Come and take control of my life. Make me the kind of person You want me to be. Now, fill me with Your Holy Spirit, who will show me how to live for You. I acknowledge You before men as my Savior and my Lord.

Thank you for forgiving me, Lord. I receive Your forgiveness, in Jesus' name, Amen!
